tions Service.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the January 30, 1995 request of Summit Telecommunications, Inc. (Summit) for approval of a name change. As per its January 30, 1995 request, Summit states that it has officially changed its name to Summit Teleservices, Inc., as a condition of the sale of some of its assets to Corporate Telemanagement Group (CTG) of Greenville, South Carolina. Summit therefore requests that this Commission approve the name change.

The Commission has examined this matter and believes that the relief requested by Summit should be granted. The Commission knows of no reason why such relief should not be granted.

IT IS THEREFORE ORDERED THAT:

1. The name change request of Summit Telecommunications, Inc. to Summit Teleservices, Inc. is hereby granted.

2. This Order shall remain in full force and effect until further Order of the Commission.
